Open Discussion for the "Good of the County"

Mr. David Rose addressed the Court and stated that he had several issues with the meeting of September. He asked about the Resolutions that were done for the Sheriff's Grant monies and the Law Enforcement agreement between the Counties in Kentucky. He is annoyed that they are not being read aloud during the meetings. Mr. Rose went on to state that he has a problem with the trash cans that Republic Services makes the citizens of Grant County use and that the citizens are not given an option to use either a 30 Gallon, 60 Gallon or 90 Gallon container. He thinks that the court should advertise in the Grant County News that other containers are available. Judge Link stated that he will have Magistrate Austin bring this up at the next 109 Board meeting and that he is not inclined that the court takes this action. He stated that it is an issue that should be handled thru the 109 Board. Mr. Rose then stated that this country is run off the free enterprise system and who did we sign a contract with for County trash pickup? He also wanted to know why the court entered into a 12 year contract for trash pickup. He complained and said that the court should never have entered into the 12 year contract. He stated that the court did not use ethical standards when they entered into that long of a contract. Judge Link stated that he disagreed with that statement and that Mr. Rose had made his point over and over, but he has a different opinion.

Judge/ Executive Link then reminded the Fiscal Court that the next Regular meeting of the Grant County Fiscal Court will be held on Monday, October 20th 2014 at the Grant County Courthouse at 7:00 P.M.

Motion of Wanda Hammons, seconded by Bobby Young to adjourn until Monday
